PROFESSIONAL EXPERIENCE

Digital Marketing & Content Specialist | TPL Education

Educational consultant in Carlton, Victoria

Apr 2025 - Present

- Acted as a liaison between stakeholders, students, and internal teams to gather insights and align content strategy with audience needs.
- Leveraged communication and negotiation skills to translate stakeholder input into user-focused campaigns and content strategies

UXUI designer | Axons (CP Group)

Thailand's largest agritech company developing apps to connect companies and farmers

Mar 2023 - July 2024

- Lead UX research, gathering requirements directly from target users, resulting in data-driven design decisions.
- Created comprehensive user journeys, enhancing the team's understanding of user behaviors and needs, and improved user satisfaction through usability tests.
- Translated user journeys and personas into wireframes, delivering one sprint flow for an efficient design process.
- Collaborated with product owners and developers to implement Google Analytics, gathering data for informed UX design enhancements in the upcoming sprint.

Creative designer | CREA ASIA

E-commerce startup company operating in Malaysia, Singapore, and Thailand

Oct 2021 - Mar 2023

- Designed over 400 digital assets aligned with brand guidelines, applying principles of visual hierarchy, accessibility, and consistency across touchpoints.
- Adapted graphic design expertise to UI contexts, contributing to interface mockups and layout concepts for promotional landing pages.

PROJECTS

Co-founder | Monash FastTrack Cohort Project

Mar 2025 - Present

- Co-founded and designed a travel app to solve group coordination challenges.
- Led user research to identify pain points, validate market fit, and inform design.
- Created user flows and interactive prototypes, iterating features like collaborative itineraries and mood-based activity discovery based on user testing.

Content Creator & Illustrator | Bacon Bae (NFT Project)

Jan 2021 - Feb 2021

- Designed UI-inspired illustrations and motion graphics aligned with campaign strategy to strengthen web3 brand identity and engagement across NFT platforms.

UX Researcher | Cloudfloor Company Limited X Bangkok design week 2021 (Hotel interim)

Feb 2020 - Apr 2020

- Conducted in-depth user research and usability testing to uncover audience pain points for an interactive hotel-themed art installation.
- Designed data-driven touchpoints, transforming research insights into engaging physical and digital interactions.
